A Volunteer group set up to provide transport for persons in Faringdon and surrounding villages who are unable to drive themselves or use public transport for the journey they need to make.

All drivers will be holders of a DBS Certificate, Public Liability insurance is held by the group through BGI. The aim of the group is to provide transport at minimal cost, not for profit.

Sample pricing: pick up and take to WHMP Surgery will be no more than £4 to £5 dependent of distance within the town includes waiting and return within about 30 min. For the surrounding villages the fee will be no more than £7 to £8 again dependent of distance

Longer journeys will be charged at 45/50p per mile driven, pick up in town and drop off only, to JR hospital Oxford drop at JR £23. Great Western hospital Swindon drop at GW £15

All fees are payable in cash at the final drop off point, please ensure you have the means to pay the driver. Drivers are not paid for waiting any donations to the group to help with overheads and administration will be welcomed.

The service is available for many reasons: Like a day out, visiting family, doctors, hospital, shopping, etc please feel free to call and ask

Emergency: You need transport urgently please call the mobile number 07983 732083 and we will try to respond straight away but we cannot guarantee such a service

We are not a taxi service. Please call 01367 242659 to book transport.
