Dear Mr. Shree.

Faringdon Tolly -

I am sorry I cannot attend on Monday
but I must go to London that day
for the Regimental Dinner - What is this
Tower for? only ornament or will it serve
any other purpose - if Lord Berners
insists I am doubtful if we can stop him

Water Supply. I am having a parish Council
meeting next Wednesday, (the first day I could,
and will then write to you -

Yours

E. S. Burder

P.S. Mr. Gyle sent me a copy of his letter

re sight line at Rowstock Corner
in which he modifies his view of this
point but there is no doubt buildings will
not improve the view - Do you think
a conference with Mr. Jordan would be
of any use?
