

## Walk 8

### North Faringdon and Thrupp

approximately 6.25 miles/10km

#### WALK DESCRIPTION

A pleasant, easy walk starting from Faringdon with good views of the Folly. A more direct route back to Faringdon may be taken at either point 4 or 5, thus shortening the walk. Although there are no places for refreshment on the walk itself, there are plenty of places to eat and drink in Faringdon.

**1) Start the walk in Faringdon Market Place and head uphill to Church Street**, past the churchyard and past the A4095 to Witney. When the metalled road turns sharp right, **Carry straight on** to a farm track. When it starts to bend, continue straight on to an enclosed footpath (Church Path).

**2) At the footpath junction, turn left**, (Grove Cottage is on the right) then follow the field-edge path down hill. Continue walking on a well marked footpath across two large arable fields, first diagonally towards the right of Haremore Wood, then on to a footbridge and head towards Smokedown Cottages. **Near the cottages, join a track which takes you to the Thrupp road** (signed Faringdon 2 miles).

**3) Turn left onto road and just over the bridge, turn left** through a gate. Cross the meadow to a stile to the right of Hatton Farm then follow the enclosed path (waymarked) onto a track to Hatton Farm leading to Radcot Road. Before you reach the road turn right over a stile.

**4) Turn right for some 200m and then cross the road to a field-edge bridleway**. Continue following the bridleway across a track (which leads to Northfield Farm and Cottages) passing the farm cottages on your right and after a while, the Faringdon Sewage Works to your left. Continue to follow the bridleway until you reach Lechlade Road.

**5) Turn right along the roadside** for about 400

metres and then left onto a bridleway (farm track) which passes straight through Step Farm.

**6) Continue for some time to a path junction (where there are 2 entrance gates to fields), and turn left onto a field-edge footpath** which leads to a wooden bridge (with stiles). Follow a path, alongside power lines across the field to another small wooden bridge with stiles, over to the left. Go back onto the field-edge path which then cuts across the field corner to a stile. **Continue on an enclosed path (called the Glories)** and at the top **turn left leading onto Canada Lane**. Go straight on past school.

**7) At the main road (A417) turn right and then bear left** at the mini-roundabout into Gloucester Street and back to Market Place.
