

Walk 3 Faringdon Folly, Buckland Warren and Hatford

approximately 7 miles/11.5km

WALK DESCRIPTION

This is an easy walk which goes through or along open fields, woodland and bridleways. Starting at Faringdon Folly it goes through Buckland Warren, a lovely wood with flat, wide tracks, then onto Hatford, a pretty village. From Hatford the route is slightly less easy as the right of way is sometimes difficult to follow through small woodland. There are sometimes cows in certain fields, but these can be avoided quite easily. There are no refreshments in Hatford.

Walk 3 Faringdon Folly, Buckland Warren and Hatford

approximately 7 miles/11.5km

To reach the Folly Hill, either walk through the town, or go through Folly Park (*entrance on Park Road, parking for cars*) to Nursery View Estate. At the Stanford Road head for Folly Hill.

1) At Folly Hill walk on the path through the trees, out to the other side of the Hill (*Folly Tower on your left*). Walk downhill into the next field. There is a white metal stile that you can walk around.

2) The path then goes across the middle of a field to a wooden stile.

3) Go over the stile and cross the A420 to another stile. Follow field edge, then go over a white metal stile. There are gates on either side. Notice the tree lined stream to the right. **Take a path across the field, and go over a stile.** Wadley Manor is on the left and Oxpen Farm on right. **Cross the track, go through a field to a metal stile.** After the stile, **bear right on the track** (*no signs*). Notice a small lake over to the right. *You can look back at this point for a good view of the Folly.*

4) When the path reaches a junction, bear left along the side of the field. The track continues through large open fields and on past Tagdown Barn and a cottage called Hideaway, both on the right. **When the road is reached turn left for a short distance then take the bridleway (signed) on the right.** The bridleway leads to a thick hedge (which marks the boundary between Hatford and Buckland parishes). Through a gap in the hedge, **continue on**

through a golf course, the way being marked by metal railings.

5) Follow the path through the woodland for about half a mile (1km) until a junction is reached (*note the 'All dogs on lead' sign*). There is an open field in one quadrant, the other three are woodland). **Turn right here.** (*The path straight ahead goes to Pusey - approx 1 mile. The path to the left goes through Home Farm and up to the A420 - approx 3/4 mile*). Later go through a yew grove.

6) The path emerges into fields again. Follow the path across the field towards the road. At the road (*opposite house called Woodlands*) **turn left and go into Hatford.** On the main road, **turn right (west) towards Shellingford...**

If you wish to shorten the walk, turn right opposite Woodlands and walk on the road (Sandy Lane) until you reach the cottage called Hideaway. Then retrace your steps to the Folly.

...7) Just over the bridge, climb the stile on the right and follow Frogmore Brook, keeping it on your right. About 165 yards (150m) further on, **go right (yellow arrows mark the route) over the stream.** The path follows the bank on the left, and continues through 3 gates. Climb a stile to reach a track to a quarry. Cross this track, keeping the stream to your left. **Look out for a plank bridge over the stream and go into the woodland.** The path follows the left hand woodland edge initially and then

travels to the right, where it emerges from the wood. There are several fallen trees in the woods and the path is not very distinct. Keep persevering through the woods and you will eventually emerge through a well-defined exit. This woodland path passes Tagdown plantation.

8) Follow the field edge, past Chinham Copse where soon it becomes a wide grassy track with a hedge on the left.

9) Follow the track until it reaches a junction and bear left to return to Faringdon Folly.
